CHAL-1128-60

10 August 1960

MEMORANDUM FOR: Chief, Mobilization and Military Personnel Division

SUBJECT : Maintenance of Flight Records, Air Force Officers
Assigned to Project CHALICE

1. Development Projects Division has reviewed the present method of maintaining the flight records of rated officers assigned to Project CHALICE and feels that these may securely be kept at the detachments. This will eliminate the correspondence between Headquarters and the detachments now required and will enable timely record keeping.

2. It is accordingly requested that arrangements be made to permit the Detachments to maintain records effective 20 August 1960. It is further requested that the latest editions of AFR 60-2, AFR 60-4 and AFR 60-25 (one each) be mailed to Detachment B and to the Edwards unit.

3. The Detachment C unit is now in process of moving to Edwards. Consequently, the records of [] should be forwarded to Edwards. Records of [] should be retained in Washington since he is enroute here for reassignment.

4. [] has been designated DPD coordinator on above procedures and it is suggested that prior to security records from Bolling AFB the requesting office of MMFD coordinate with [] to assure that all ancillary records and/or information has been sent to Bolling to enable a close out of records there.
